

Lunasonde Material Usage Guidelines

We are thrilled you are interested in using our materials for educational, informational, non-commercial and pre-approved purposes!

Please feel free to use our materials within the guidelines listed below.

EDUCATIONAL AND INFORMATIONAL USE

Lunasonde's content, including images, wallpapers videos, audio, taglines and more, can be used for educational, informational, and non-commercial purposes without the need for explicit permissions.

PERMISSIONS REQUIRED FOR COMMERCIAL USE

Commercial use of Lunasonde's content is strictly prohibited unless permissions by Lunasonde have been obtained. Contact info@lunasonde.com for more information.

If an image from Lunasonde features a recognizable person, using that image for commercial purposes may infringe on that person's right to privacy or publicity, so it is essential to obtain permission from the individual.

Lunasonde does not permit the creation of promotional content such as print, television spots, or commercials without prior authorization.

ENDORSEMENTS

Use of Lunasonde materials carry with them the requirement for the user to acknowledge and credit Lunasonde as the source of any material used and must be approved in advance, regardless of the purpose.

If you plan to use Lunasonde's material for commercial purposes, such as in advertisements, it should not explicitly or implicitly imply Lunasonde's endorsement of any commercial goods or services.

To avoid any confusion, please refrain from using the Lunasonde name, logo, or other trademarks to endorse any product, entity, or idea without our permission. Endorsement requests can be sent to info@lunasonde.com.
